FINISHED MEASUREMENTS:

Blanket measures approximately 34"/86.5 cm wide x 44"/112 cm long

GAUGE

In single crochet, using I-9 (5.5 mm) hook, 16 sc and 24 rows = 4"/10 cm.

STITCHES USED

Chain (ch), reverse single crochet (rev sc), single crochet (sc), slip stitch (slip st)

NOTES

1. The gauge is VERY important to ensure the correct size for the blocks. Adjust hook size to achieve correct gauge.
2. The blanket is constructed from a number of blocks and strips. Refer frequently to the assembly diagrams for placement of blocks and strips.
3. To change color, work last stitch of old color to last yarn over; yarn over with new color and draw through all loops on

hook. Fasten off old color.
4. Use I-9 (5.5 mm) hook for all blocks.

HINTS

1. Mark the right side (RS) of each piece. You will always begin new colors on the right side.
2. You may wish to label each piece with the appropriate color sequence. Blocks are sewn to other blocks made in the same color sequence.
