FINISHING

Edging

With 2 strands of B held together, join yarn with sl st in edge of hat. Work sl st evenly around entire edge (including earflaps). Fasten off.

Using yarn needle, weave in all ends.

Chain Braids (make 3)

With smaller hook and 1 strand of A, ch 60, sl st in the tip of one earflap, ch 60. Fasten off. With smaller hook and 1 strand of A, ch 60, sl st in tip of same earflap. Fasten off. You should now have three chains attached to the tip of the earflap. Repeat this process to attach three B-colored chains to same tip. Group the six chains into three groups of two chains each, with one A chain and one B chain in each group. Braid the chains together and tie a knot at the end to secure. Trim ends.

Repeat this process to attach chain braids to tip of other earflap, and top of hat.
